- 51 Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the Department: (Dept. of Gandhian Studies)

Strengths :

1. A very strong base of Gandhian ideology
2. Peaceful and beautiful campus with excellent infrastructural facilities like well equipped computer lab, rich library, classroom with latest teaching-learning aids, etc.
3. Inspirational and encouraging environment full of opportunities
4. Extraordinary and unique method of life skill development through residential course facility
5. Learned, academically strong and enthusiastic staff

Weaknesses:

1. As most of our students come from rural background, have rural base, the medium of instruction is Gujarati. Hence, students face problems in coping up with English language.
2. Being a residential programme, we are unable to attract youth of urban society at the time of admission. So, we have very little benefit of rural-urban cultural interaction.
3. Less number of female students taking admission.

Opportunities :

1. Regular visits by international experts.
2. Collaboration with various Gandhian universities.
3. Intervention in social cause
4. Spreads the message of Gandhian constructive works.
5. Excellent interface of our students with international community.

Challenges:

1. Since our department is based on Gandhian values and lifestyle, modern youth is not convinced easily to adapt to such ideology.
2. Students are taught values like ethics, honesty, thrift, truth, non violence, etc., which sometimes put them in tight corner in practical life.
3. In the age of globalisation and corporate culture, it is a challenging task to attract wide number of inputs along with our ideals and ethics.
4. Competition from other institutions and self financed colleges.

Peace Research Centre**Strengths :**

1. This is multicultural, multilingual, interdisciplinary, national & international character and Gandhian value-oriented course.

Weakness:

1. This is not a job oriented course. Thus, very few students join the course.
2. Lack of international funding for field research.
3. Lack of awareness of the course in the society is also a major obstacles.

Opportunities:

1. Regular visits by international experts.
2. Collaboration with various Gandhian universities.
3. Intervention in social cause
4. Spreads the message of Gandhian constructive works.

Challenges:

1. Interdisciplinary nature of department is not accepted by the other university.
