INTRODUCTION

This national conference is being organized in line with UGC guidelines, NEP 2020, and the New National Sports Policy. It aims to strengthen research culture, interdisciplinary learning, and outcome-based education in sports and physical education. The conference emphasizes evidence-based dialogue on policy reforms, performance enhancement, sports science integration, and sustainable development to support India's Olympic 2036 ambitions and the vision of Viksit Bharat 2047.

ABOUT THE CONFERENCE

The conference aims to provide a national academic platform for academicians, researchers, coaches, administrators, and policymakers to deliberate on the transformation of India's sports ecosystem. Key focus areas include grassroots development, elite performance, governance, infrastructure, technology, and athlete welfare. Through keynote lectures, research paper presentations, and panel discussions, the conference seeks to contribute meaningful academic and policy outcomes.

AIM OF THE CONFERENCE

To facilitate critical discussion, research exchange, and policy-oriented dialogue on sports transformation in India in line with UGC, NEP 2020, and the New National Sports Policy, with special reference to Olympic 2036 and Viksit Bharat 2047.
