

About the Organiser

Gujarat Vidyapith, a prominent educational institution founded by Mahatma Gandhi, has established a Vyavsayik Sajjata (Vyas) Mandir - व्यावसायिक सज्जता (व्यास) मन्दिर aiming at enhancing the quality of higher education in Gujarat and India. व्यास मन्दिर is to focus on pedagogical excellence, innovative teaching methodologies, and effective educational leadership, in line with the institution's values of social service, self-reliance, and community engagement.

The Indian higher education landscape is undergoing rapid transformation. There is an increasing demand for well-trained faculty, administrators, and support staff to manage this growth effectively. व्यास मन्दिर intends to address this need by providing high-quality training programs that equip individuals with the necessary skills and knowledge to excel in various aspects of higher education.

About the Programme

In alignment with India's vision for Amritkal, this programme is designed to support higher education teachers in adopting and implementing Outcome-Based Pedagogy (OBP). OBP emphasizes achieving measurable learning outcomes to prepare students for real-world challenges. This five-day intensive training blends

theoretical insights with hands-on experience, enabling educators to deliver impactful teaching while meeting the standards of the National Education Policy (NEP) 2020. programs that equip individuals with the necessary skills and knowledge to excel in various aspects of higher education

Programme Objectives

- Understand OBP: Grasp the principles and need for outcome-based education in the 21st century.
- Design Curriculum: Learn to map learning outcomes to curricula and assessments effectively.
- Innovate Teaching: Explore active and experiential learning techniques.
